

Explore Exporting: Opportunities in Canada for U.S. Horticultural Products

Customized for nursery and greenhouse growers, this seminar will explore why and how you can export to increase sales and profits

SPECIAL PRESENTATION VIA SKYPE:

Selling Nursery Products to Canada

Heidi Kim, SUSTA Consultant, Argyle Communications, Toronto, Canada

Maryland Department of Agriculture
50 Harry S. Truman Parkway, Annapolis MD 21401
Wednesday, July 9th 2014 | 8:30AM – Noon

- Why Export? What's in it for my business?
- Are my products in demand in Canada?
- How can I meet interested Canadian buyers?
- What are the phytosanitary requirements?
- Are there programs to help me market my products to international buyers?
