

VISITOR PARKING MAP

Park in Union Lane Garage. If this garage is full, park in Stadium Drive Garage (also circled in red). The MP3 Summit will be held at the Stamp Student Union (circled in blue).

When you enter either of the two parking garages circled in red, an attendant will provide you with a parking permit to place in your vehicle. You **MUST** obtain a parking permit from attendant in order to park in the garages. Failure to place a parking permit in your vehicle may be grounds for the Department of Transportation Services to **issue a citation**. We will not be held responsible for reimbursing parking citations.
